Welcome

Welcome to a new chapter for Selected Sales.

This year, we are proud to introduce an exciting new auction setup, combining live presentations at Charlottenlund Racetrack with an evening on-line auction format. It is a new approach that we believe will create both a stronger experience and broader international accessibility for our clients and partners.

At the same time, we are also taking another exciting step forward by testing the sale of yearlings presented exclusively through video material and professional statements from the USA.

All of this takes place during a period where the world around us is perhaps more dynamic and unpredictable than we would wish for. Nevertheless, optimism, innovation, and the passion for quality horses continue to unite us across borders.

We sincerely hope that these new and exciting settings will provide the foundation for a successful and well-executed auction, and we would like to thank all breeders, buyers, partners, and guests for their continued support and trust.

We look forward to welcoming you to Selected Sales 2026.

The auction will be conducted as an online auction administered by Selected Sales.

SELECTED SALES' ROLE – INTERMEDIARY

Selected Sales acts solely as an intermediary between buyer and seller.

As set out below, the contractual relationship exists exclusively between the buyer and the seller. Selected Sales assumes no responsibility or liability for either party, including but not limited to solvency, receipt of communications, or information relating to the horses offered for sale.

Any claim, complaint, or dispute concerning the purchase of a horse must be pursued directly between the buyer and the seller.

Selected Sales disclaims all liability, including liability for inaccurate, incomplete, or misleading information regarding the horses offered for sale.

CONDUCT OF THE AUCTION AND LIABILITY

Horses will be offered and sold in catalogue order.

Selected Sales reserves the right, at its sole discretion and without providing reasons, to refuse any person or company participation in the Auction. In such cases, neither buyer, seller, nor any other participant shall be entitled to compensation.

The seller is responsible for arranging and carrying out delivery of the horse. Transportation to and from the auction venue shall be at the participant's own expense and risk. The seller bears all risk relating to the horse until the fall of the hammer. Thereafter, all risk and responsibility shall pass to the buyer.

Selected Sales accepts no responsibility or liability for any horse before, during, or after the Auction.

CONDITION OF THE HORSE

Online bidding is entirely at the bidder's own risk.

Selected Sales shall not be liable for technical failures, delays, interruptions, or failure to register bids.

CLAIMS AND COMPLAINTS

Any claim, complaint, or dispute regarding the purchase of a horse must be addressed directly between the buyer and the seller. The buyer may only make claims in respect of latent defects affecting the horse's suitability as a Standardbred racehorse.

To assert a claim relating to a latent defect, the buyer must obtain a veterinary examination within 14 days following the Auction and submit a written complaint within the same period.

As a general rule, no claims may be brought against the seller more than 30 days after the Auction unless the seller has acted fraudulently.

SPECIAL TERMS REGARDING BREEDING RIGHTS

If the seller reserves future breeding rights, this must be clearly stated on the horse's catalogue page.

Unless otherwise agreed in writing between the buyer and the seller, the following shall apply: The seller retains the right to the number of annual breedings specified in the catalogue for the lifetime of the stallion or until the stallion is gelded.

The buyer is obliged to respect and transfer these rights to any subsequent purchaser in the event of resale.

Payment shall be made in accordance with the invoice issued by Selected Sales and is due within 8 days from the invoice date.

In the event of late payment, default interest shall accrue at the Danish National Bank reference rate plus 10 percentage points.

Title to the horse passes to the buyer at the fall of the hammer.
Selected Sales is entitled to withhold delivery of the horse until full payment has been received.

GOVERNING LAW AND JURISDICTION

Any dispute between Selected Sales, the buyer, and the seller shall be governed by Danish law and subject to the exclusive jurisdiction of the Danish courts.
